## ***1E IS YOUR ONE CONTACT FOR EVERYTHING IN EVENTS!***

We are an events management company that works differently from the rest of the pack. We work with your company's team and management as an insource events management provider, creating world class and memorable experiences while ownership of the event remains with you at all times.

## ***ONE PERSON, ONE CONTACT, ONE EVENT!***

**We are all about making our clients famous and their events memorable.** To create truly special events, we do not use the same ideas and concepts twice. We ensure that no two events are ever the same. As each client is unique, we treat each job differently, delivering individual outcomes and unique world class events.

### **Management**

We provide support and guidance on event management, event design and execution and venues. We can also assist in staging of incentive and social events for delegates, creative theming, travel and itinerary management, as well as coordination with suppliers.

### **Entertainment**

We have reliable, professional relationships with many high profile Australian artists. We are able to provide artists, bands, speakers, and comedy and celebrity performances for your events. We can also provide X-Factor type performances showcasing delegates who are coached and rehearsed for performing on stage with live session bands as seen in these popular TV shows.

### **Production**

We provide all elements in managing the technical requirements of producing and staging special events including audio visual production and hire, staging design and construction, transport logistics, video and film production and recording studio hire.

### **Road Shows and Touring**

1E is your one event partner in managing all aspects of touring events. We have the expertise and experience in managing the logistics of touring events and to meet challenging timelines ensuring that a consistent high quality outcome is achieved at each venue.

### **Creative Ideas**

Brainstorm with 1E to generate original bespoke ideas for themes & events. Identify ideal locations, prepare event briefings, plan marketing ideas & communications.
